Do you have a patient who would benefit from compliance packaging??

Dispill[®] Multi-dose Packaging is a safer, easier way for you to help patients adhere to their medication schedules. It's a patented system that lets you provide prescribed medication to patients in an all-inclusive blister pack. Not only will it help you protect the independence of your patients, it will insure they are taking the medications as prescribed.

Here is how to set your patient up with the program:

- ▶ Fill out the attached intake form
- ▶ Fax the form back to C S Family Pharmacy with a complete medication list signed by the providing physician.
 - ▶ Please include any OTC items the patient takes, such as aspirin or a multivitamin
- ▶ **Fax: (630)-213-1293**

If you have any question or concerns, or need additional intake forms, please call the pharmacy and ask to speak to the pharmacist.
